The time or place where we just met,
She's just the girl for me

And I want all the world to see we've met, mm mm mm m mm m

G
2. Had it been another day I might have looked the other way and
I'd have never been aware,
But as it is I'll dream of her tonight, da da da da dada da.

Falling, yes, I am falling and she keeps calling me back again.

Missed things and kept out of sight but other girls were never quite
