

HIGHLAND GIRL - Evans / Jukes / Jukes / Gardiner 2024

Chorus: So we [C] danced all night
'Till the [Fadd9] sun came up
[C] One for the road and a [G] nother for luck
[C] I didn't know that I [Fadd9] fell in love
In love with my [G] Highland [C] girl
Hair like fire and [Fadd9] eyes like the sea
She [C] danced with the wind and [G] sings like the breeze
[C] I didn't know but [Fadd9] now I can see
I'm in love with my [G] Highland [C] girl

Post Chorus: X2

[C] La di-di-di-di-di, [Fadd9] la di da, [C] La di-di-di-di-di, [G] la di da
[C] La di-di-di-di-di, [Fadd9] la di da
I'm in love with my [G] Highland [C] girl

1. I [C] walked to the bar and [Fadd9] looked to my left
[C] I tried to breathe, but [G] you stole my breath
[C] You turned away and played [Fadd9] hard to get
But darling the [G] night is [C] young
The band started playing [Fadd9] my favourite song
And [C] that's when I caught you [G] singing along
[C] Right then I knew that you [Fadd9] were the one
Darling, the [G] night is [C] young

Chorus + Post Chorus X2

2. You [C] reached out your hand and [Fadd9] took hold of mine
Didn't [C] notice that you've been [G] keeping it tight
You [C] said "Follow me, every [Fadd9] thing will be fine
Because Darling, the [G] night is [C] young."

Chorus

3. Oh, her [Am] eyes shine like diamonds [F] in the night
And the [C] fairy glen upon the Isle of [G] Skye
There's a [Am] whisper in the mountain,
There's an [F] echo in the glen
And I hope to God I'll [G] see her once a [C] gain
