

TWO MORE BOTTLES OF WINE - Delbert McClinton 1975

Intro: 4 bars of [C]

1. We [C] came out west to[F]gether with a common de[C]sire,
The fever we had might have set the west coast on [G] fire.
Two months [C] later got a troublin' mind,
Oh, my [F] baby moved out and left me behind.
But it's [C] all right, 'cos it's [F] midnight,
And I got [G] two more bottles of [C] wine.

2. The [C] way he left sure [F] turned my head a[C]round,
Seemed like overnight he just up and put me [G] down.
Well, I ain't gonna [C] let it bother me today,
I've been [F] workin' and I'm too tired anyway.
But it's [C] all right, 'cos it's [F] midnight
And I got [G] two more bottles of [C] wine.

Bridge:

*Well, [F] I'm sixteen hundred miles from the people I [C] know,
I've been doin' all I can but opportunity sure comes [G] slow.
Thought I'd [C] be in the sun all day,
But I'm [F] sweeping out a warehouse in west LA.
But it's [C] all right, 'cos it's [F] midnight,
And I got [G] two more bottles of [C] wine.*

3. Instrumental verse 2

Bridge:

*Well, [F] I'm sixteen hundred miles from the people I [C] know,
I've been doin' all I can but opportunity sure comes [G] slow.
Thought I'd [C] be in the sun all day,
But I'm [F] sweeping out a warehouse in west LA.
But it's [C] all right, 'cos it's [F] midnight,
And I got [G] two more bottles of [C] wine
Yes, it's [C] all right, 'cos it's [F] midnight
And I got [G] two more bottles of [C] wine.
Yes, it's [C] all right, 'cos it's [F] midnight
And I got [G] two more bottles of [C] wine. [C↓↓]*
