

# KARMA CHAMELEON - O'Dowd/Moss/Craig/Hay/Picket 1983

*Intro: 1<sup>st</sup> 2 lines of verse*

1. There's a [D] loving in your [A] eyes all the [D] way  
If I listened to your [A] lies would you [D] say  
I'm a [G] man, without con[A]viction  
I'm a [G] man, who doesn't [A] know  
How to [G] sell, the contra[A]diction  
You come and [G] go, you come and [Bm] go [A] (break)

*Chorus:*

[D] Karma karma karma karma [A] karma chamele[Bm]on  
You come and [Em] go, you come and [D] go [A]

[D] Loving would be easy if your [A] colours were like my [Bm] dreams  
Red gold and [Em] green, red gold and [D] green [A]

2. Didn't [D] hear your wicked [A] words every [D] day  
And you used to be so [A] sweet, I heard you [D] say  
That my [G] love, was an ad[A]diction  
When we [G] cling, our love is [A] strong  
When you [G] go, you're gone for[A]ever  
You string [G] along, you string [Bm] along [A] (break)

*Chorus*

*Bridge:*

[G] Every day is like sur[F#m]vival  
[G] You're my lover, not my [Bm] rival  
[G] Every day is like sur[F#m]vival  
[G] You're my lover, not my [Bm] ri[A]val

3. *Repeat Verse 1 - instrumental 1<sup>st</sup> 2 lines then sing the rest*

*Chorus x3 (2<sup>nd</sup> a cappella) end on [D]*
