# <u>REASON TO BELIEVE</u> -Tim Hardin 1966

Intro: 1st 2 lines of Verse 1

1. If [C] I listened [G] long enough to [Am] you
   I'd find a [F] way to be[G]lieve that it's all [C] true.
   [D] Knowing - that you [G] lied, straight [F] faced while I [C] cried,
   Still I [Am] look to find a [F] reason to be[G]lieve.

   Chorus:
   Someone like [F] you,
   Makes it [G] hard to live with[Am]out - [G] somebody else,
   Someone like [F] you,
   Makes it [G] easy to give, [Am] never think [G] about myself.

2. If [C] I gave you [G] time to change my [Am] mind,
   I'd find a [F] way just to [G] leave the past be[C]hind.
   [D] Knowing - that you [G] lied, straight [F] faced while I [C] cried,
   Still I [Am] look to find a [F] reason to be[G]lieve.
