

# THE SIZE OF A COW – The Wonder Stuff – 1991

*Intro: 3 bars (12 downstrokes) on [A] then 3 beats (double time) plus [A↓] then 4 beats on each: [G] [F] [C] [F] [G] [F] [C] [F]*

1. [A] Don't you think it's funny that nothing's what it seems  
When [G] you're not looking forward.

[A] Me I'd like to think that life is like a drink  
And I'm [G] hoping that it tastes like bourbon

[F] You know that I've been [C] drunk a thousand [Bb] times (+ 2 bars)  
And [F] these should be the [C] best days of my [Bb] life  
Life, it's not what I thought it was

*Chorus:*

[G] Damn blast [F] look at my past, I'm [C] ripping up my feet over [F] broken glass  
I said [G] oh wow [F] look at me now  
I'm [C] building up my problems to the [F] size of a co-[G]-ow  
Ah [F] aah aah [C] ah ...the [F] size of a cow

*Break: 8 beats on each [A] [G]*

2. [A] You know it would be strange to live life in a cage  
And [G] only believe the things you see that's written on the page

[A] How easy would it be, to be home in time for tea  
And stop [G] feeling like a sailboat rocking on the sea

[F] You know that it's been [C] sunk a thousand [Bb] times (+ 2 bars)  
And [F] these should be the [C] best days of my [Bb] life  
Life, it's not what I thought it was

*Chorus:*

[G] Damn blast [F] look at my past, I'm [C] ripping up my feet over [F] broken glass  
I said [G] oh wow [F] look at me now  
I'm [C] building up my problems to the [F] size of a co-[G]-ow  
Ah [F] aah aah [C] ah ...the [F] size of a cow X2

*Break: 8 beats on each [A] [G] [A] [G]*

[F] You know that I've been [C] drunk a thousand [Bb] times (+ 2 bars)  
And [F] these should be the [C] best days of my [Bb] life.  
Life, it's not what I thought it was

*Chorus:*

[G] Damn blast [F] look at my past, I'm [C] ripping up my feet over [F] broken glass  
I said [G] oh wow [F] look at me now  
I'm [C] building up my problems to the [F] size of a co-[G]-ow - repeat chorus  
+ Ah [F] aah aah [C] ah ...the [F] size of a cow  
[C] Ah [F] aah aah [C] ah [C7] [C]
