

THIS IS MY STRUM TIME - Various 2017

This is the result of a Ukuleles For All song writing exercise done in 2017. Many of the entries were unpublishable due to the nature of their content and to protect those of a weak disposition! The identities of the authors who penned the verses below have been removed to avoid embarrassment. Sung to the tune 'You Are My Sunshine'

Chorus:

This is my [C] strum time, my only strum time
It makes me [F] happy every [C] day.
If you don't [F] like it then that's just [C] tough dear
You won't take my [G] strum time [C] away (x3 on last chorus)

1. The other [C] night dear, while you lay snoring,
Your teeth be[F]side you in a [C] jar.
I tried to [F] wake you, but I'm in [C] traction,
Since you hit me [G] with your [C] car.

2. I found some [C] photos of you in dresses
You said you [F] were a Panto [C] Dame
Then I dis[F]covered you had a [C] lover
And he dresses [G] just the [C] same!

Chorus

3. Now tell the [C] truth dear, of our six children,
Is ginger [F] Johnny really [C] mine?
It was a [F] shock dear when you [C] told me
He's the only [G] one that [C] is!

4. And so I [C] told you that you'd be sorry
'N I was [F] sure you knew the [C] score
And so like [F] Tom did to [C] Delilah
I'll make sure you [G] laugh no [C] more

Chorus

5. Now the sun[C]shine is in the garden
And I have [F] dug from dusk to [C] dawn
And if the [F] neighbours should ask about [C] you
I'll say you're out and [G] won't be [C] long

Chorus
